

2018 QCI STORMWATER CONTINUING ED

Get your mandatory QCI continuing education online or on-site at a time and place that is most convenient for you!

If you are a QCI (Qualified Credentialed Inspector), you are required by ADEM to take a continuing education course each year in order to maintain your certified status. The HBAA offers two ways to obtain your continuing Ed credit--you choose what works best for you:

ONLINE (WWW.ALABUILDERUNIVERSITY.COM)

The HBAA offers online stormwater certification continuing education, check out the builder university tab at www.HBAA.org. Online training not only saves you the time you would normally spend away from your office to sit in on the 4-hour CE class, but you'll pay just \$80 compared to \$125 for the classroom training. Take the course at your own pace in the comfort of your home or office.

ON-SITE

If online training is not an option for you, the HBAA continues to offer several CE training classes throughout the state.

See the schedule for upcoming class dates and locations. Each classroom course is from 12:30 p.m. to 4:30 p.m. unless otherwise noted. The cost is \$125 per attendee.

Complete the form below and return to the HBAA. Enrollment is granted on a first-come, first-served basis. For more information, contact Alison Till at 1-800-745-4222 or email alisonstill@hbaa.org.
