**HOUSE OF TREES**  
 TAYLOR BURTON COMPANY, INC.  
 WINNER | SPACE RENOVATION

This family of four was in love with the convenient location of their home but they were not in love with the avocado appliances, outdated carpet and dysfunctional layout. The room sizes were small and they did not have a need or want for a formal living room. A plan was created to remove all the walls in the foyer, kitchen, dining, den and living room to create one large room that can share space. The 8-foot ceilings were raised, exponentially increasing the feel of the space. Five giant, overbearing trees in the small backyard were harvested and repurposed as scissor trusses to support the roof. The lumber was also used to create new stair treads, kneewall cap and a window seat in the new

laundry room. New hardwood floors were installed throughout and new cabinets, countertops and appliances were installed in the kitchen. The large wall above the stairs provides the perfect theater setting for viewing favorite movies or sports events on the state-of-the-art, audio-video projector. The new space is multifunctional and a great asset for entertaining large groups, moving furniture around for a dance floor, or just keeping the family together in one room for a variety of activities.

# P E R S P E C T I V E

It is an honor to step into the role of your HBAA President for 2017. This association has had many great leaders and I'm humbled to be following in their footsteps. I'm enjoying working with our Senior Officers, Executive Committee and all of the leaders throughout the state.

While I'm on the subject of leadership, I want to pay tribute to my fellow Senior Officer and friend, Buddy Bowman, who passed away unexpectedly last month. Buddy was a founding member of the St. Clair County Home Builders Association and served in virtually every leadership role there, including several terms as its President. His leadership was strongly evident not only in his local association but at the state and national levels as well. Buddy served on several HBAA committees and was a longtime Board and Executive Committee member, serving this year as HBAA 2nd Vice President. He was also heavily involved with the National Association of Home Builders and most recently served on its Single Family Housing Committee. On behalf of the HBAA, I extend our sympathies to Buddy's family and friends. He is greatly missed.

As a result of Buddy's untimely passing, the Nominating Committee made the decision to move Senior Officer David Lisenby up to the role of HBAA 2nd Vice President. Robert Brown was moved up to the Treasurer position and Blake Corder, a builder member from Tuscaloosa, was elected to serve as HBAA Secretary.

As discussed in my interview in the previous issue of Alabama Homebuilder, there are several goals for the year that I'll be working with our HBAA leadership and staff to implement. Among those goals are the development of a continuing education program for licensed builders in partnership with the Alabama Home Builders Licensure Board, the creation of an education course on new construction for appraisers and continuing to build on our membership recruitment and retention efforts. We've got a lot of work ahead of us but I'm confident that we'll have a successful year.

Our remodelers have certainly had a successful year, as you can see from the feature on page 24 of the winners of this year's Alabama Remodeling Excellence Awards. I want to thank our sponsors--Alagasco, Alabama Power and the Alabama Home Builders Self Insurers Fund--for their generous support of this program that recognizes outstanding remodeling work throughout the state. Our judges really had their work cut out for them with so many beautiful projects submitted. If you're working on any remodeling projects this year, I encourage you to submit them for next year's AREA competition.

Our next big event is the 23rd Annual Alabama Home Builders Foundation Golf Classic on May 11 at the Robert Trent Jones-Cambrian Ridge course in Greenville. All golfers--no matter what your skill level is--are invited to come play. This is the Foundation's only fundraising event of the year and the proceeds provide money for scholarships, as well as support for carpentry and plumbing programs throughout the state and other educational opportunities. Visit [www.ahbfoundation.org](http://www.ahbfoundation.org) to learn more and to register.

It's going to be a busy but exciting year, and I'm thankful to be part of this great association. As always, if there is anything that I or the HBAA staff can do to help you, don't hesitate to give us a call. I look forward to traveling the state this year and meeting many of you. Have a safe and happy Spring!

# Hire the best. Never fear the worst.

## Always hire a licensed contractor.

You don't want the uncertainty that comes with hiring an unlicensed contractor for heating or a/c repair. Not only could it be dangerous, it can leave you with no recourse should the systems fail or prove inadequate.

Contractors licensed by us are professionals who meet a set of standards designed to protect you and your investment. So make sure. Licensed contractors are required to display their Alabama certification numbers on their service vehicles. Ask to see this number! Visit our web site or call toll-free to find licensed contractors near you.

# WINTER MEETING HIGHLIGHTS

The HBAA kicked off its statewide events for the year with the 2017 Winter Meeting at the Embassy Suites in downtown Montgomery. Builder and associate members came together to hear updates on industry issues and learn about the association's plans this year on topics ranging from membership to governmental affairs to public relations.

The members also heard from several guest speakers throughout the meeting. Newly appointed Alabama Attorney General Steve Marshall was the guest of honor at the Governmental Affairs Meeting. Howard Neiswender with Sirote & Permutt, P.C. shared his estate law planning expertise in an educational session that focused on how builders can protect their assets from a future downturn. (Note: Neiswender's presentation is available for all HBAA members to view at [www.HBAA.org](http://www.HBAA.org).) In another education session, Tim Alderman of

Sandler Training covered how attitude can affect members' bottom lines and provided valuable keys to time management.

The main highlight of the Winter Meeting was the HBAA's Legislative Reception, held at the Alabama Department of Archives. Attendees enjoyed great food and fellowship while getting the chance to speak firsthand with their legislators and discuss issues affecting their communities.

The next statewide meeting will be the HBAA Summer Meeting, scheduled for July 20-22 at the Hilton Sandestin Beach Golf Resort & Spa in Destin, Florida. All members and their families are encouraged to attend. Look for details about the Summer Meeting, including a schedule of events and activities, in the next issue of *Alabama Homebuilder*.

The HBAA's annual Legislative Reception, held at the Alabama Department of Archives & History, gave members a valuable chance to connect face-to-face with their legislators and other government officials.

## HBAA MOURNS LOSS OF BOWMAN

The HBAA is mourning the loss of its 2nd Vice President, Buddy Bowman of Pell City. Bowman, the owner of Bucky Corp. and a longtime member of the St. Clair County Home Builders Association, passed away unexpectedly on February 15 at the age of 56.

Bowman was one of five builder members who chartered the SCCHBA in 1992. He took on the role as Executive Officer when the association was first formed and later served as its President in 1994, 1997-98 and 2013-2017. He also represented the SCCHBA on the HBAA board as a state director beginning in 1998. Bowman was presented with numerous Presidential Awards and Builder of the Year awards in recognition of his work with the association and on projects within the community, including the construction of a walking bridge that crossed Logan Martin Lake and a pavilion for Lakeside Park in Pell City.

Bowman began serving on the HBAA Executive Committee in 2007 as a Presidential Appointee. Over the years he served as Chair of the Investment Property Owners Council, Public Relations Committee and the Building Innovations Group. He also served as HBAA Secretary in 2015 and Treasurer in 2016 and served for several years as a National Director.

He held the professional designations of Certified Graduate Builder and Graduate Master Builder. In 2014, Bowman received the Don Nolan Builder of the Year award from the HBAA.

Bowman is survived by his wife, Becky Bowman; mother, Rosalyn Bowman; brother, Christopher (Sonya) Bowman; sisters Myra (Wayne) Carlisle, Jennifer (Dave) Jensen, Melinda (Charles) Hedrick; and godchildren Cayna Rich and Casia Rich. The HBAA extends its sympathies to his family and friends.

## HBAA MOURNS LOSS OF DOLLISON

The HBAA extends its sympathy to the family of Olguita Dollison, who passed away on March 21. A longtime member of the Huntsville/Madison County Builders Association, she was extremely active in the Women's Auxiliary (now Professional Women in Building) for many years.

Dollison was born in Guatemala and immigrated to the U.S. in 1949 to study microbiology at Ohio University. Following graduation, she married John B. Dollison and moved to Denver. After the couple relocated to Huntsville in 1965, she worked as a medical technician at Crestwood Hospital and also as a bookkeeper for her husband's construction company, John B. Dollison, Inc.

Throughout her involvement with the HMCBA, Dollison won numerous awards for her membership efforts. She was active at the state and national levels as well, serving as a national director and committee chairperson on numerous task forces and committees of the National Association of Home Builders. In 1993 she was inducted into the Alabama Building Industry Hall of Fame, the highest honor given by the Home Builders Association of Alabama.

She is survived by her husband, John; son, J.B. (Donna) Dollison; daughter, Kathy Dollison; and various nieces and nephews and their children.

## GOLF TOURNAMENT SET FOR MAY 11

All HBAA members are invited to participate in the 23rd Annual Alabama Home Builders Foundation Golf Classic, taking place on Thursday, May 11 at the Robert Trent Jones-Cambrian Ridge Course in Greenville.

As the main fundraiser for the Foundation, the Golf Classic, which is organized by the HBAA's Past Associate Committee Presidents, is a valuable opportunity to promote the work of the Foundation while giving participants a fun-filled day. Golfers

of all skill levels are invited to play. The winning team will earn bragging rights and get to take home the coveted Foundation Cup trophy.

In addition to playing, you can support the Foundation Golf Classic by becoming a sponsor. Sponsorship opportunities are available at a variety of levels and sponsors will be recognized the day of the tournament as well as in HBAA publications afterward.

To learn more about playing or sponsoring, contact Alison Till at 1-800-745-4222 or [alisonstill@hbaa.org](mailto:alisonstill@hbaa.org).

## MEMBERSHIP DRIVE GETS RED CARPET TREATMENT

For its annual membership drive, the HBAA Membership Committee is seeing stars with its theme of “Lights! Camera! Action!”. This year’s drive will include a social media blitz featuring videos created by the local Home Builders Associations to promote the benefits of membership.

All local HBAs are encouraged to submit a video, either professionally done or shot on a phone or camera, at no longer than two minutes in duration. Suggested topics include videos about the HBAA’s member rebate program, community involvement, advocacy, or a member discussing why they joined their local HBA. Videos should be posted online (either on the local HBA’s YouTube channel or Facebook page) by June 30, 2017.

The Membership Committee and HBAA President Dan Taylor will select a Best Video winner, who will be awarded the Golden Little Man trophy at the 2017 HBAA Summer Meeting. The video that gets the most shares on social media will also win a Golden Little Man. Additionally, the local association with

the highest percentage membership increase as of June 30, 2017 will be recognized with a prize at the Summer Meeting.

For more information about the membership drive, contact Kory Boling at 1-800-745-4222 or email [koryboling@hbaa.org](mailto:koryboling@hbaa.org).

## NEW EXCLUSIVE BENEFIT SAVES MEMBERS MONEY ON TRAVEL

The HBAA’s newest exclusive member benefit is designed to give members and their employees great savings when they travel. HBAA members can now join the Snazzy Traveler program to save money on hotels, car rentals, cruises and other travel expenses, whether for vacation, business travel or visiting family and friends. This program is not open to the public; it is exclusively for members of the HBAA.

For your free enrollment, visit [www.SnazzyTraveler.com/HBAA](http://www.SnazzyTraveler.com/HBAA) and follow these steps:

1. Click on the “Join Now” button.
2. On the next page, click on the “Redeem Code Here” button.
3. On the next page, enter the promo code HBAATravel in the Promotional Code box and click “Check Code”. (Note: Do not enter anything else on this page and do not give a credit card number here.)
4. You’ll then see a green box to the right that says “Success” and you will be directed to the next page.
5. On the next page, enter your information in the boxes provided, agree to the Terms and Conditions and hit “Submit”.
6. You’ll receive a “Success” message and be redirected into Snazzy Traveler.

## FALL CARPENTRY PROGRAM DATES SET

The Alabama Home Builders Foundation has scheduled fall dates for its free basic residential carpentry program at two sites. The program will be held September 14-November 7 at the Limestone County Career Technical Center in Athens and September 21-November 14 at the Baldwin Center for Technology in Bay Minette.

The program is open to adults (ages 18 and up) and classes will be taught at night. Thanks to the Foundation’s support, there is no charge to the students. Those who complete the 8-week course will receive a certificate of completion and be equipped with a valuable skill set to help them prepare for working in the homebuilding industry.

Additional program sites are expected to be added to the schedule soon. For more information, contact Artemis Moore, AHB Foundation Director, at 1-800-745-4222 or email [artemismoore@hbaa.org](mailto:artemismoore@hbaa.org).

AHB Foundation Vice President Taylor Burton, far right, was on hand to present certificates of completion to students in the Foundation’s basic carpentry class at Gadsden State Community College this spring.

## HBAT HONORS MEMBERS

The Home Builders Association of Tuscaloosa recently honored several local members for 2016 at its Annual Awards Ceremony at the Embassy Suites Downtown Tuscaloosa.

Blake Corder of BC Homes, LLC was presented the Carolyn Guidroz Humanitarian Award, an award given annually in honor of Carolyn Guidroz, 2003 HBAT President who tragically died in 2003. Carolyn served on the Board of Directors on the local, state and national levels, was very involved in community activities and always willing to lend a hand. The purpose of this award is to honor HBAT members who have made significant and lasting contributions to their fellow man.

Blake Corder was presented with the Carolyn Guidroz Humanitarian Award.

Glen Akins received the Distinguished Service Award—Associate Member.

Receiving the Distinguished Service Award—Builder Member was Aaron Sincroft.

Lynn Corder was inducted into the HBAT Hall of Fame.

Glen Akins of Harper Chambers Lumber Company received the Distinguished Service Award—Associate Member. This award recognizes an Associate member for his or her accomplishments in the areas of service to the housing industry and the Association; professional excellence and community involvement; and furthering the mission and goals of the Association.

Aaron Sincroft of Trick Construction, LLC received the Distinguished Service Award—Builder Member. This award recognizes a builder member whose service, dedication and unselfish contributions to HBAT, the Home Builders

Association of Alabama, our local community and the home building industry as a whole exhibits the best of what our Association strives to achieve.

Lynn Corder of The Builders Group of West Alabama was inducted into the HBAT Hall of Fame. The HBAT Hall of Fame Award is given to the Home Builders Association of Tuscaloosa, Inc. member who has made significant and long lasting contributions to the building industry in West Alabama and to the HBAT.

## HUNTSVILLE/MADISON COUNTY BA PRESENTS AWARDS

Several members of the Huntsville/Madison County Builders Association were recently honored with awards in recognition of their work with the association over the past year.

Mark Rovere of Action Builders Inc. was presented with the 2016 Builder of the Year Award. This award is presented annually to a builder member of the HMCBA based on their professional reputation with home owners, governmental agencies, and among fellow members. It is also based on the builder's participation in both the local and state associations as well as their participation in community affairs, civic and service group activities and charitable activities.

Trevor Cole of The Design Center at Across the Pond was presented with the 2016 James "Jim" Jones Associate of the Year Award. This award is presented annually to an associate member based upon their participation in the Association with regard to activities, attitude, reputation in the business community and reputation with fellow builders and associate members.

Parksite Inc received the 2016 New Member of the Year Award, given each year to a member company who is very active during their first year of membership. All new members are eligible for this award, and they each earn points for their participation in Association events throughout the year.

The HMCBA also awarded two membership awards for recruiting new members for the Association. The Builder Big Spike was presented to Bryan Pogue of Matrix Builders and the Associate Big Spike was awarded to Russ Wilson of Wilson Lumber Company. Additionally, a cash bonus was presented to Gene Satterfield of All Weather Heating & Air Conditioning Inc. for his participation in the association's Retention Calling for Members drive.

## COLE INDUCTED INTO GMHBA HALL OF FAME

Longtime member Hugh Cole was recently honored for his commitment to the home building industry with his induction into the Greater Montgomery Home Builders Association's Hall of Fame. Cole, the President of Hugh Cole Builder Inc., has been a builder for over 38 years. He has served on nearly every committee within the GMHBA including the Parade of Homes, Long Range Planning, Governmental Affairs, Past Presidents and the Board of Directors. He served as GMHBA President in 1996 and 2010 and as President of the HBAA in 1995.

Cole is a Statesman Spike, having earned more than 1,400 Spike credits in his member recruitment efforts. The GMHBA previously honored him as its Builder of the Year in 1985 and 2010. He received the HBAA's Shannon Lowder Builder of the Year award in 1986 and in 2004 was inducted into the Alabama Building Industry Hall of Fame.

## DOTHAN TURNS UP THE HEAT WITH CHILI COOK-OFF

Members of the Home Builders Association of Dothan and the Wiregrass Area recently participated in a fun network exchange in the form of a chili cook-off. Participants decorated their tables and made a big pot of their favorite chili and all the "fixins". The event was judged by city and county commissioners along with building teachers from the local technology school. The cook-off was a very successful night and enjoyed by everyone.

The team from Whatley Supply won the Most Original and People's Choice awards at the HBADWA's Chili Cook-Off.

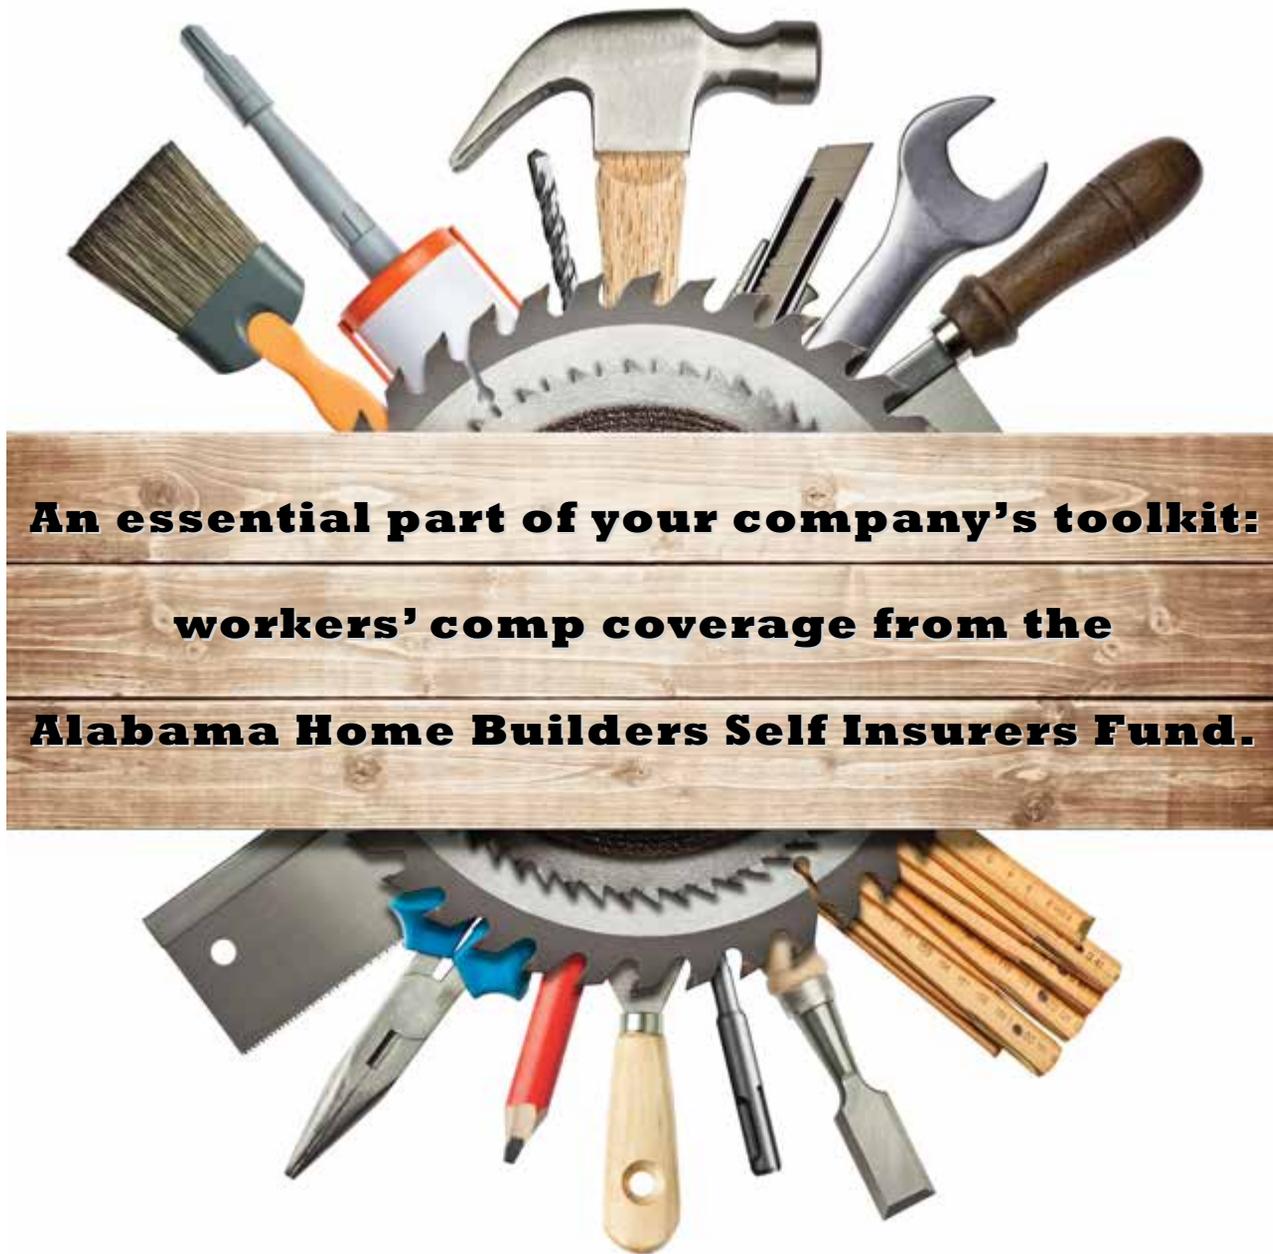

## DOTHAN MEMBERS PARTICIPATE IN WIREGRASS WORKS

Several members of the Home Builders Association of Dothan and the Wiregrass Area recently participated in the Wiregrass Works event. The event gave local businesses and industries the opportunity to set up tables and stations and to talk to eighth graders from all over the tri-state area about different vocations. The HBA had a nail driving display, a power tool competition and a Jenga Challenge station. The students enjoyed the building industry table and were interested in finding out more about vocational school.

HBADWA members James Hays and Bart Liddon and Executive Officer Marella Collins work the Jenga Challenge station at the Wiregrass Works event.

## HUNTSVILLE/MADISON COUNTY BA HOSTS SUCCESSFUL HOME SHOW

The 2017 Building, Home & Remodeling Show<sup>SM</sup> was a great success for exhibitors and attendees alike. Hosted by the Huntsville/Madison County Builders Association at the Von Braun Center in Huntsville, the show featured a record number of booths with more than 215 companies participating and more than 8,000 consumers in attendance. A new feature this year was the “Big Easy Courtyard” which featured café tables and chairs, a three-tiered French fountain, a live oak tree, street performers and plenty of beads to create the atmosphere of a New Orleans courtyard during Mardi Gras.

Another popular feature included the Kids Corner, where children could construct a boat, birdhouse or car with their parents’ help. The Huntsville

Police Department was on hand to fingerprint children for their parents’ records. Meteorologists from local TV station WHNT were also there to help program weather radios for attendees.

In a creative marketing move, the HMCBA partnered with the local hockey team, Havoc, for a combination ticket offer billed as “The Perfect Friday Night Pass”. The pass included one ticket for the show, one for the hockey game and a free drink.

The HMCBA is already working on its Fall Home and Garden Show, scheduled for August 26-27.

## GREATER MONTGOMERY HOME EXPO FEATURES ELI GOLD, ANIMAL PLANET’S PETE NELSON

More than 4,000 consumers turned out for the Greater Montgomery Home Builders Association’s Home Expo at the Montgomery Multiplex at Cramton Bowl. Over 100 exhibitors participated in the event, which featured packed sessions by Pete Nelson, host of the Animal Planet television series “Treehouse Masters”. Another popular guest was Eli Gold, sports broadcaster and the radio voice of Alabama Crimson Tide football, whose appearance was sponsored by Alabama Foundation Specialists.

## METRO MOBILE HOSTS PARADE OF HOMES BREAKFAST

The Home Builders Association of Metro Mobile recently hosted a Parade of Homes breakfast at its office. Associate members were able to submit incentives to builders who are interested in entering homes in the 2017 HBAMM Parade of Homes. The board room was filled with attendees eager to make plans for the Parade.

## NORTHWEST ALABAMA HBA SUPPORTS LOCAL CHARITIES

The members of the Northwest Alabama Home Builders Association gathered together for their Christmas party dinner. In addition to enjoying a great time of fellowship and installing their officers for 2017, they also voted to present checks of \$500 each to two local charitable organizations: Weldy Home and the Eldridge Children’s Home.

## GREATER MONTGOMERY HBA HOLDS BASS TOURNAMENT FOR CHARITY

The Greater Montgomery Home Builders Association held a bass tournament to benefit Children's Harbor, an organization that provides a place for children with serious illnesses and their families to have fun and relax while receiving no-cost services that make life a bit easier for the whole family. The tournament raised a total of nearly \$12,500 for the organization.

## GREATER BIRMINGHAM YOUNG PROFESSIONALS ENJOY GAME NIGHT

The Greater Birmingham Association of Home Builders' newly-formed Young Professionals Council recently held its first event, a game night at the GBAHB office in Irondale. More than 60 attended the night, which included plenty of food, networking time, door prizes and games such as table tennis, skeeball, electronic darts, double shot basketball and a 3D golden tee golf video.

Members of the GBAHB Young Professionals Council enjoy a game night at the GBAHB office.

## METRO MOBILE SENIOR OFFICERS TREAT MEMBERS TO BINGO NIGHT

The Home Builders Association of Metro Mobile had a great turnout of members for the recent Bingo night held at its office. The Senior Officers sponsored the event and cooked Conecuh dogs and hamburgers for the crowd, which really got into the spirit of competition while playing Bingo. It was a fun evening for members to network and enjoy each others' company.

HBAMM members eagerly listen for their numbers to be called during Bingo night.

The staff of Alabama Power honored GMHBA member George Goodwyn, Jr. (front) with the inaugural River Region Builder of the Year award.

## GOODWYN NAMED RIVER REGION BUILDER OF THE YEAR

Goodwyn Building, a member of the Greater Montgomery Home Builders Association, was recently awarded the 2017 River Region Builder of the Year award by Alabama Power. Cathy Brown, Residential Manager for Alabama Power's Southern Division, presented owner George Goodwyn, Jr. with the award at a luncheon at the Capital City Club in Montgomery.

"This award is a recognition of George's long history of building quality, energy efficient electric homes in the River Region," stated Brown. "This marks the first time this award has been given and he is very deserving of the honor."

Goodwyn Building, which has constructed more than 1,200 homes in the River Region, was recognized for staying on the front edge of the local homebuilding industry with innovative choices in construction style including heat pumps, heat pump water heaters, foam insulation and energy tracking monitors in every home constructed.

"It was easy for me to do all electric because it is the most cost efficient way to build affordable homes," said Goodwyn. "That's what we've always done. Our goal has always been to build an affordable home to buy and an affordable home to own."

## GREATER BIRMINGHAM MEMBERS RECOGNIZED AT IBS

Several members of the Greater Birmingham Association of Home Builders were recognized for their achievements during the 2017 National Association of Home Builders' International Builders Show in Orlando, Florida. Marty Byrom was recognized for having achieved Senior Life Director status, and Kyle Murphy was recognized for accumulating the most Spike credits in Alabama in 2016. Alicia Huey received recognition for completing a successful year as the NAHB Membership Committee Chair.

Members of the Greater Birmingham AHB enjoy the Spike Party at the 2017 International Builders Show in Orlando.

For the 10th straight year the HBAA Remodelers honored the best remodeling projects across the state at the Alabama Remodeling Excellence Awards (AREA) Banquet, held on April 8 at the Capital City Club in downtown Montgomery. Winners were announced in a variety of categories ranging from Whole House Remodel, Kitchen Remodel, Basement Remodel and Residential Specialty project to the coveted Best in Show.

This year's Best in Show award was taken home by Taylor Burton Company, Inc. for their "House of Trees" entry, which was also the top winner in the Space Renovation category. This is the second year in a row that a member of the Greater Birmingham Association of Home Builders has captured the award. The Best in Show is selected from the top five highest scoring projects across all categories. Taylor Burton Company, Inc. beat out nearly 100 other entrants representing nine local Home Builders Associations.

Since 2008, the HBAA Remodelers have honored remodelers across the state for the outstanding projects they have done in the previous eighteen months. The competition is open to all remodelers, architects, kitchen and bath specialists, and other remodeling industry professionals throughout the state. To qualify for entry in this year's competition, projects had to be completed in Alabama between June 30, 2015 and December 31, 2016. A panel of judges made up of builders and remodelers from around the state reviewed and scored the entries.

Photos and videos of this year's winning projects are featured on the AREA website, [www.remodelalabama.com](http://www.remodelalabama.com). The HBAA would like to thank our 2017 AREA sponsors: Alabama Power, Alabama Gas Corporation and the Alabama Home Builders Self Insurers Fund.

*Congratulations  
to all of this year's  
AREA competition winners.*

## **Fabulous Faux Flooring** *(Left middle)*

Using tile that looks like wood in place of the real thing helps keep this riverside home low maintenance.

*Dog River Remodel by Gallery Homes*

## **Dog-gone Good Storage** *(Left bottom)*

Pull-out storage bins for dog food and other supplies keep frequently-used items close at hand but out of the way when not in use.

*Vulcan Park Mudroom by Case Design/Remodeling*

## **Light Show** *(Middle Top)*

Dramatic lighting fixtures up the "wow" factor in this dining and kitchen.

*Garden District Remodel by Alfred Saliba Corporation*

## **Small Space, Big Impact** *(Middle Bottom)*

One of the most dramatic transformations in this whole house remodel is the powder room, which features walnut and onyx tile floors and an under-mount light that shines through the countertop.

*Allendale Project by Kimbro Renovations, Inc.*

## **I Spy** *(Right top)*

A large round window in this home's interior hallway provides an inviting view of the newly remodeled porch.

*Peachtree Porch by j. fante studio*

## **Honoring the Past** *(Right middle)*

The remodel of this 1915 kitchen paid tribute to its roots with historic design touches that included a porcelain farmhouse sink, furniture hood and an antique crystal chandelier.

*Back in Time project by Kitchen & Bath Dimensions*

## **Rustic Touches** *(Right bottom)*

Open cedar shelves with iron brackets provide a rustic touch and contrast with the white cabinetry and marble.

## COTTAGE BY THE LAKE

*WSC DISTINCTIVE BUILDERS*

WINNER | ADDITIONS \$100,000-\$250,000

This den addition was designed to enhance an existing oversized entertaining room that was an apparent afterthought for the previous owners. Encompassing 250 square feet, the addition included a new stone fireplace, wood flooring and added storage for board games. Notched wooden beams from a 100-year-old log cabin were installed and reclaimed wood skins replaced the sheetrock ceiling. New windows and French doors were installed to answer the homeowner's desire to have enhanced views of the lake. A bar was built with rough sawn cedar and completed with a copper sink. A pass-thru window was installed behind the bar to allow the host to entertain indoors and out at the same time. Outside, the old rotten deck was replaced and the old canopy that attached to the home was removed. An eyebrow roof was created with oversize custom-made wood corbels to give the home character. The new den provides a cozy spot to curl up and enjoy the spectacular lake views.

## RANCHER RENO

### WILLOW HOMES

WINNER | WHOLE HOUSE REMODEL UNDER \$250,000

**R**enovating a modest-sized home on a tight budget was the goal for this project. The biggest challenge was how to make the front elevation of a low-roofed rancher more desirable without breaking the bank. By using the existing chimney that is prominent on the front of the home, and adding two small gables and a square “bump-out” on the front, the home grew slightly taller in perspective and maintained an appropriate scale. This helped modernize the home without spending too much money on framing and structural changes. Inside, the dated finishes were removed, rotted areas repaired and new windows installed. To give the clients the open concept they asked for, a wall in the middle of the house was removed, creating an open kitchen, dining and den area. A hallway was created to access the new master suite at the rear of the house. Space was taken from a bedroom to create a new laundry room and bath. The end result was an adorable home on a great corner lot in a family-friendly neighborhood, and the clients couldn’t be happier.

**WALKER HOME ADDITION**  
*TRICK CONSTRUCTION*  
*DBA HANDYMAN PROFESSIONALS*  
 WINNER | ADDITIONS UNDER \$100,000

**T**his addition to an early 1970's home was designed to enhance the stunning view of the lake as well as create a space that would fulfill the homeowners' living and entertaining needs as they begin their retirement. The result was a mostly glass and door addition on large 8x8 stone covered columns overlooking Lake Tuscaloosa. A large portion of the existing home's second floor wall was removed to allow the old and new spaces to flow together. Three 1,600 pound, 28-foot long decorative beams were installed in the ceiling. Beneath the addition, a new deck was built so that the owners could enjoy the outdoors and take in the scenery. New flooring, paint and trim work for the existing great room were also incorporated into the project. The spectacular lake views are on full display for the owners to enjoy year-round.

**DRISH HOUSE**  
*HARLESS AND COMPANY, LLC*  
WINNER | COMMERCIAL RENOVATION

**B**uilt in 1837, this is not only one of the most distinctive historic houses in the state but it is also home to numerous legends and ghost tales. Following the deaths of the original owners, it was used as a school from 1906 to 1925, then as an auto parts warehouse and a church. The vacant house was purchased in 2014 and work began on turning it into a commercial space suitable for hosting events. Repairs were made to the roof, stucco and masonry. The woodwork and windows were replaced and more than 100 gallons of paint were used. Bringing this nearly 200 year-old structure up to code while maintaining the home's historic integrity proved to be quite a feat, as plumbing, electrical, fire sprinklers and central heating and cooling all had to be added. To accommodate catered events, an indoor kitchen was created, as were four restrooms. New pine flooring was installed to match the existing hardwoods throughout. This once-abandoned home has been transformed into a beautiful venue for hosting parties, weddings and other events, offering a touch of history while providing all of the comforts and needs of today's guests.

## GENERAL LIABILITY INSURANCE

Members of the Alabama Home Builders Self Insurers Fund now have access to General Liability insurance from Atlas General Insurance Services. Designed for homebuilders, remodelers, general contractors and specialty trade contractors, the program offers quality coverage at competitive prices with no restriction on subcontracted work.

To learn more or for a quote, contact your Fund workers' comp broker and ask for the HBAA-endorsed GL program.

## BUILDERS RISK INSURANCE

The Home Builders Association Builders Risk Program is available to residential builders and remodelers who are HBA members in good standing. Coverage may be purchased through appointed agencies who are also HBA members.

For more information about the program, visit [www.HBABuildersRisk.com](http://www.HBABuildersRisk.com) or contact Helmut Mundt at 855-442-2467 or [helmut@hmia.com](mailto:helmut@hmia.com).
