

Make sure to take your
LEAD PAINT
CERTIFIED RENOVATOR CONTINUING
EDUCATION

before it expires!

Under Alabama regulations, you must take a Lead Paint Certified Renovator refresher course every three years (not every five years as required by EPA). *If you went through the lead certification program in 2017, you are up for renewal now. You must take the course **BEFORE** your expiration date.* If not, the state will require you to take the initial course again. Avoid costly delays by taking the continuing education course now.
